- View our Membership Guidelines, Membership Segments, and Dues Structure.

ALDA BOARD OF DIRECTORS

- **Chair:** Greg Milosevich, Executive Vice President, Life Sciences, Danaher.
- View the full list of current Board members here.

SENIOR EXECUTIVE CONFERENCES

- The cornerstone of membership, these conferences bring together presidents, CEOs, and senior executives from key industry companies around the world.
- Focus on timely topics and feature world-class speakers who offer strategic insights into trends, emerging technologies, and new markets. Recent topics include:
  - AI-Driven Discovery & Innovation
  - The New Era of Proteomics
  - The Future of Pharma
  - Advances in Longevity
- Provide a vital chance to reflect on business strategy, share visions for technology and applications, and forge high-level business relationships with key global executives in the industry.
- Typical attendance: 140-160.
- View our Attendance Guidelines.

REGIONAL DINNERS

- Two regional executive dinners per year, typically in Boston and the San Francisco Bay Area.

TRADE SHOW BREAKFASTS

- Breakfast and an engaging speaker at industry trade shows like ADLM, analytica, ESCMID (formerly ECCMID), and SLAS.
- Provide a chance to connect with fellow ALDA leaders outside of our semi-annual conferences and introduce other senior leaders on your team to the ALDA community.

EXECUTIVE SESSIONS

- Focused, 30-minute virtual discussions for senior leaders across ALDA member companies, with formats tailored to the topic (e.g., panel, conversation, open dialogue).
- Topic areas include: service and support, marketing and sales, HR and talent, business growth, leadership challenges, and timely issues impacting the industry.
- Open to all members, who can select sessions most relevant to their work.

» VIEW OUR EVENT CALENDAR
