Ian Ratcliffe, Former ALDA Board Member

We ask that all members and attendees adhere to our **Code of Conduct**: ALDA's powerful network offers opportunities for connection and collaboration within our industry. I agree to uphold and preserve the unique nature of this executive network by refraining from overtly soliciting sales for my company's products or services to other members. This includes our membership directory as well as in-person events. Violations of this code will be reviewed by leadership and could result in removal from the ALDA member community.
